

MOJE ŠKOLA

A large outline of a house with a triangular roof. The main body of the house is a rectangle divided into four horizontal rows. The top row is further divided into two equal-width columns. The second row is divided into three columns of unequal width (left, middle, right). The third row is divided into two equal-width columns. The bottom row is divided into three columns of unequal width (left, middle, right).

**Aktivita – Moje škola:**

Žáci si nakreslí místnosti do plánu školy podle své fantazie a poté o škole mluví.
